

## INFORMATION FOR INTERNATIONAL APPLICANTS

### Requirements for Form I-20 and Visa

Goldfarb School of Nursing at Barnes-Jewish College is permitted to enroll students in the F-1 visa classification. If you plan to enter the U.S. on a student (F-1) visa, you and/or your sponsor must complete the enclosed Financial Certificate for International Students. You must also have a letter from your personal bank or your sponsor's bank on bank letterhead verifying the ability to provide the funds stated on the financial certificate. A scholarship award letter or other supporting documents may also be attached to the financial certificate if appropriate. Only with the documentation will we be able to issue an I-20, even though you may be academically admissible. If you are disabled or require special services, such as readers for the blind or interpreters for the deaf, you must also certify the availability of \$4,000 to \$10,000 over the standard expenses to pay for such services for the first and subsequent years of study.

After you have been accepted and received the I-20 from Goldfarb School of Nursing, you must obtain from a U.S. consulate or embassy the appropriate F-1 Student Visa. To apply for a visa, you must submit the following documents: a valid form I-20 for an F-1 visa, a valid passport, and evidence of sufficient financial support to cover tuition and living expenses in the United States. You will be expected to register for the term for which admission has been offered.

Visa regulations require that you maintain a full-course of study each term, a minimum of 12 credit hours per term for undergraduate programs and six (6) credit hours per semester for graduate programs. International students will also be required to check in at the start of each term with the student support services at Goldfarb School of Nursing.

### Application Review Dates

We strongly encourage you to send your application materials to us as early as possible. You need to allow sufficient time for your application to be completed and reviewed by the admissions office **and** for your financial information to be received and reviewed by the student support services department. Your admission will not become official until both processes are completed.

### Tuition Deposit Deadlines

Accepted students are required to provide a \$150.00 tuition deposit. A check payable to Barnes-Jewish College is to be sent to the admissions office within 30 days from the date on admission letter.

A refund may be available if written notification of intent not to enroll is given to the admissions office 30 days (**or earlier preferred**) prior to the scheduled start date.

### Health Insurance

The United States operates with a system of private medical insurance. International students are required to provide proof of adequate health insurance within 10 days of their enrollment at Goldfarb School of Nursing at Barnes-Jewish College. Make certain that you obtain coverage from the day you arrive in the United States until your program of study is complete.

### Medical Evacuation/Repatriation Insurance

International students are also required to provide proof of coverage in the event of a medical crisis as determined by the attending physician and the Director of Student Services which would require you to return home. Information about insurance offered through **International SOS** can be obtained by calling (215)767-1403.

### Medical Examination and Immunizations

Students will be required to complete a medical examination by their physician, including an immunization history for a number of diseases. Students must have immunizations completed or have received at least the first dose of a multiple series inoculation before arrival. Students will also be required to provide the results of their most recent tuberculosis (TB) test.

### English Proficiency

Since courses at Barnes-Jewish College are taught in English, it is essential that you have a good command of written and oral English. If your native language is not English, you must take the Test of English as a Foreign Language (TOEFL). It is necessary to pre-register for the test, and you may address all inquiries to: TOEFL, Box 6151, Princeton, NJ 08541-6151. Their phone number is (609)771-7100 and Web site <http://www.TOEFL.org>. The Barnes-Jewish College TOEFL code is **6329**.

### Employment for International Students

Full-time students are eligible for on-campus paid employment. It is strongly recommended that first-term students do not seek on-campus employment. You may work up to 20 hours per week during the academic year and 40 hours per week during the summer and vacation periods.

If you are on an F-1 visa, you may not accept off-campus employment without the prior approval of the U.S. Immigration and Naturalization Service (USCIS). Such approval is not given during the first nine (9) months of a student's stay in the United States. For more information, contact the student support services department at Goldfarb School of Nursing at Barnes-Jewish College.
