

2023-2024 Federal Work-Study Application

Please complete this form in its entirety if you are interested in applying for the Federal Work-Study (FWS) program and submit with your résumé. The FWS program is a need-based program that allows students to earn additional funds to assist in paying for their educational expenses. A FAFSA is required to be on file with the school. The Financial Aid Office cannot guarantee a student will be awarded with FWS or work in their preferred worksite location/area of interest.
