

## 2024-2025 DEPENDENCY STATUS VERIFICATION FORM

Goldfarb School of Nursing at Barnes Jewish College administers federal and state financial aid programs. The regulations governing these programs stipulate that student applicants are required to provide parent information on their FAFSA (Free Application for Federal Student Aid) unless they meet specific federal dependency status criteria.

Information you provided on your 2024-2025 FAFSA suggests you may meet this criteria. However, such information must be verified. Please complete this Verification of Student Dependency Status form and provide the specified documentation for **only one** of the conditions listed. We will continue processing your financial aid application once we have received the documentation required to verify your dependency status.

If you cannot verify that you meet at least one of the dependency statuses on this form, or believe you made an error when completing the FAFSA, you must correct your FAFSA by changing your response to one or more of the dependency questions. Also, you must provide parent information on the FAFSA. Corrections may be made by going to [fafsa.gov](https://fafsa.gov) or by calling **1-800-4-FEDAID**.

Alternately, if you do not meet one of the requirements and are unable to provide parental information, please complete our **Dependent Student Appeal Form** located on our “Resources” page of the website. If you have additional questions or concerns, please contact your financial aid counselor as listed on our website.

This form contains Personally Identifiable Information
