Graduate Syllabus Template Revised: 5/15/2025

Course Number: 5613
Course Title: Acute Care II Clinical
Term and Year

Faculty (Program Director)

Name: Beth Beyatte DNP, RN, ACNP-BC

Associate Professor and Director, Adult-Gerontology Acute Care Nurse Practitioner Program

Email: beyattem@wustl.edu

Phone: 314.348.1416

Office: 211

Office hours: Mutual availability of faculty and student

Course Description

Clinical practicum prepares the nurse practitioner student to provide evidence-based care for adult and geriatric patients experiencing acute, critical, and/or complex chronic health conditions in a variety of healthcare settings. Advances the development of health assessment skills and diagnostic reasoning, formulation of differential diagnoses and person-centered care, and evaluation within interprofessional teams.

Student Learning Outcomes

1. Demonstrate an increased level of proficiency in the design, delivery, management, and evaluation of comprehensive person-centered care (Essentials: 1, 2, 4, 5; S/PLOs: 1, 2, 4, 5)
2. Translate scientific evidence from valid and reliable sources for determining best practices (Essentials: 1, 2, 4; S/PLOs: 1, 2, 4)
3. Analyze strengths and weaknesses of knowledge and skills and seeks opportunities for improvement (Essentials 9, 10; S/PLOs: 9, 10)
4. Continue to develop interpersonal and communication skills for effective collaboration and exchange of information (Essentials 6, 8; S/PLOs: 6, 8)
5. Engage in professional and ethical conduct (Essentials 9, 10; S/PLOs: 9, 10)

**Each Student Learning Outcome is tied to the Program Learning Outcome (PLO) which can be found on the College Website and College Catalog.*
